

Introducing the new Wilson Tool Squaring arms and Suction Lifter added to our Xtra Range.

Wilson Tool Press Brake 90 degree Squaring Arm

A versatile, durable tool that can be used for left or right support. Strong magnets hold the light weight tool in place while allowing for easy repositioning.

Wilson Tool Suction Lifter

A suction cup used for moving sheet metal, whilst preventing risk of injury on sharp edges. Each lifter can hold 25–30kg and can easily grip onto oiled sheets.
