

TWO PATHS TO GREATER PRODUCTIVITY

Impax Tooling Solutions® and Exacta Tooling Solutions™ are two product lines carefully designed by Wilson Tool International, to give stampers a choice when it comes to their punch and die components. Within these two lines, stampers can select tooling made to tackle the unique challenges of their applications.

Use the chart below to determine which product line is right for you.

	IMPAX TOOLING SOLUTIONS®	EXACTA TOOLING SOLUTIONS™
