

EKO SHAPES (FORM-UP/FORM-DOWN)

For special tab locations and sizes, choose “Per Customer Specification” for Tab Design and attach a file/image that includes dimensions, the tab location, and size that you need.

**Note: If the tab design is per customer print, Wilson Tool makes no guarantee that the forms can be removed from the material.*

For standard Wilson Tool tab locations and sizes, choose “Wilson Tool Standard” for Tab Design.

If front of machine location is other than standard, attach an image/file indicating front of machine location.
