

HOW MUCH WILL YOU SAVE?

Making a new purchase, or switching from one solution to another, often needs to be justified with hard data. Make that easier on yourself with this cost/benefit calculator. Use this tool to evaluate the cost/benefit of incorporating a solution from Wilson Tool International into your organization.

Enter your company-specific information next to the blue arrows in the chart below to see the potential savings you can expect by using **Wilson Tool's Adjustable Dies**.

CURRENT SITUATION			WITH WILSON TOOL	
▶	\$	HOURLY RATE		\$
	\$	MINUTE RATE		\$
▶		SET-UP TIME (MINUTES)	▶	
▶		AVERAGE SET-UPS PER DAY		
	\$	COST PER SET-UP		\$
	\$	YEARLY COST		\$

By reducing your set-up time from _____ minute(s) to _____ minute(s) for _____ set-ups per day, you will save up to **\$** _____ per year, or _____ weeks per year of labor costs due to increased efficiency.
